

## Conference Presentation Guidelines

### Poster Presentation Guidelines

Participants presenting posters are kindly requested to adhere to the following specifications:

- **Maximum poster size:** A0 format – 84.1 cm (width) × 118.9 cm (height)
- **Orientation:** Vertical (portrait)
- Posters must **not exceed** the stated A0 dimensions.
- Adhesive mounting stickers will be provided on site.

Each poster presenter will participate in a dedicated **Flash Talk Session**:

- **One slide only**
- **One minute maximum**
- The slide should briefly introduce the research question, approach, and main message of the poster.

This short presentation is intended to highlight your work and encourage discussion during the poster session.

### Oral Presentation Guidelines

Please strictly adhere to the allocated presentation times:

- **Keynote Lectures:**
  - 40 minutes presentation
  - 5 minutes discussion
  - **Total: 45 minutes**
- **Invited Talks:**
  - 30 minutes presentation
  - 5 minutes discussion
  - **Total: 35 minutes**
- **Oral Presentations:**
  - 12 minutes presentation
  - 3 minutes discussion
  - **Total: 15 minutes**

Speakers are kindly asked to respect the time limits to ensure a smooth and fair program for all participants.

Sincerely,  
Conference Organizers
